In conjunction with the Highlights Rural Touring Scheme we present
GONE CUCKOO
Friday May 4th @ 6.30pm

This is an adventure story with a difference. Storyteller, Malcolm Green and musician, Joshua

Green follow the trail of the Cuckoo to explore the world of this extraordinary creature through stories, music, song and a touch of shape shifting. They will carry you on this journey with them...

On the North York Moors, a male Cuckoo is having a tiny 4.5g radio transmitter strapped to his back. A few weeks later he will have flown thousands of miles south and 5km high over the Sahara Desert, sending signals back to England. The show takes a cuckoo's eye view of that story as he travels from Europe to Africa and back again. For thousands of years the Cuckoo has been part of folklore. Now its song diminishes...Does Cuckoo have something to tell us about our moment in history?

Suitable for ages 7+

Running time: 2 hours with interval
